

Procedure with regard to Pailvans and Murthaths

Dear Islamic Hearts! Assalaamu Alikum

On 19th December, 2006 a final blow has been dealt to the Murthath Pailvan and his principles that defile Islam.

“The truth has triumphed and the falsehood decimated. The falsehood will surely decimate” (Al Quran).

Praise is to Allah for granting this victory. This incident has become embedded in the history of Sri Lanka because of the great effort and perseverance of our brothers for the last 10 days to subjugate the government (some mercenary in the Police). Hence should come forward to struggle. This should be a good lesson to those who deny Jahilia (dark days) concepts and to enter into Islam completely.

“Oh Prophet! Strive hard against the unbelievers, the hypocrites and be firm against them. Their abode is hell – even refuge indeed (Al Quran 09:73)

According to the above Quranic verse we have lost in this struggle a great amount of wealth and three precious lives. Therefore it is a very significant venerable victory. Hence it is the duty of every Islamic brother to safeguard and implement this victory. Continuous efforts are being taken by the Village Headman and the Ulama. Apart from this it is important for our people to take some more action and on this basis the following procedure will come into effect from Friday, 22nd December 2006.

- It is prohibited to purchase or take on rent damaged houses and properties identified as belongings of Pailvans/other Murthaths
- No one should assist to clean these places or maintain them
- It is prohibited to exchange/purchase any property anywhere in Sri Lanka that belong to Pailvan/other Murthath
- If anyone had already done so they should immediately relinquish the same
- No one should have any dealings with Pailvans
- All Muslims who are employed by Pailvans or other Murthaths in their establishments should leave them immediately (Allah has not created anyone to depend on them). Those who breach these should be enlisted as Murthath. It is an obligation on the part of others to employ these people
- It is prohibited to participate in any functions of the Murthath or have any friendship with them or throw parties to them
- All what has been pronounced with regard to marriage/family relationship and burial of dead bodies (Janaza) to Murthath will be in force
- Severe punishment will be meted out to those who offer refuge to Pailvans friends and for betrayal of our youngsters

(The hypocrites) to please you they swear upon Allah (09:62)

We request in the name of Allah to be vigilant of those trying to deceive us without fully embracing Islam as of the above Quranic verse. A firm decision on them will be taken in the near future.
